

# Issue #1: Awakening of the Cosmic Codes

A college campus bustling  
with students moving  
between classes. The sun  
shines brightly in the sky.

"In the heart  
of a bustling  
college  
campus..."

"A group of extraordinary  
individuals are about to  
discover their true destiny."

"Meet our heroes - . Ordinary students with extraordinary destinies waiting to be revealed."

Suddenly, a blinding light envelops the group, causing them to shield their eyes.

The light fades, revealing the group standing in a mysterious cosmic realm surrounded by swirling galaxies and stars.

"As the cosmic energies enveloped them, their lives would be forever changed."

"The cosmic codes written in their DNA begin to awaken, granting them unimaginable powers."

Each of the students was bathed in a different colored light – reflecting their cosmic powers.

Heroes whose eyes glow with a bright blue light can manipulate gravity and the ether..

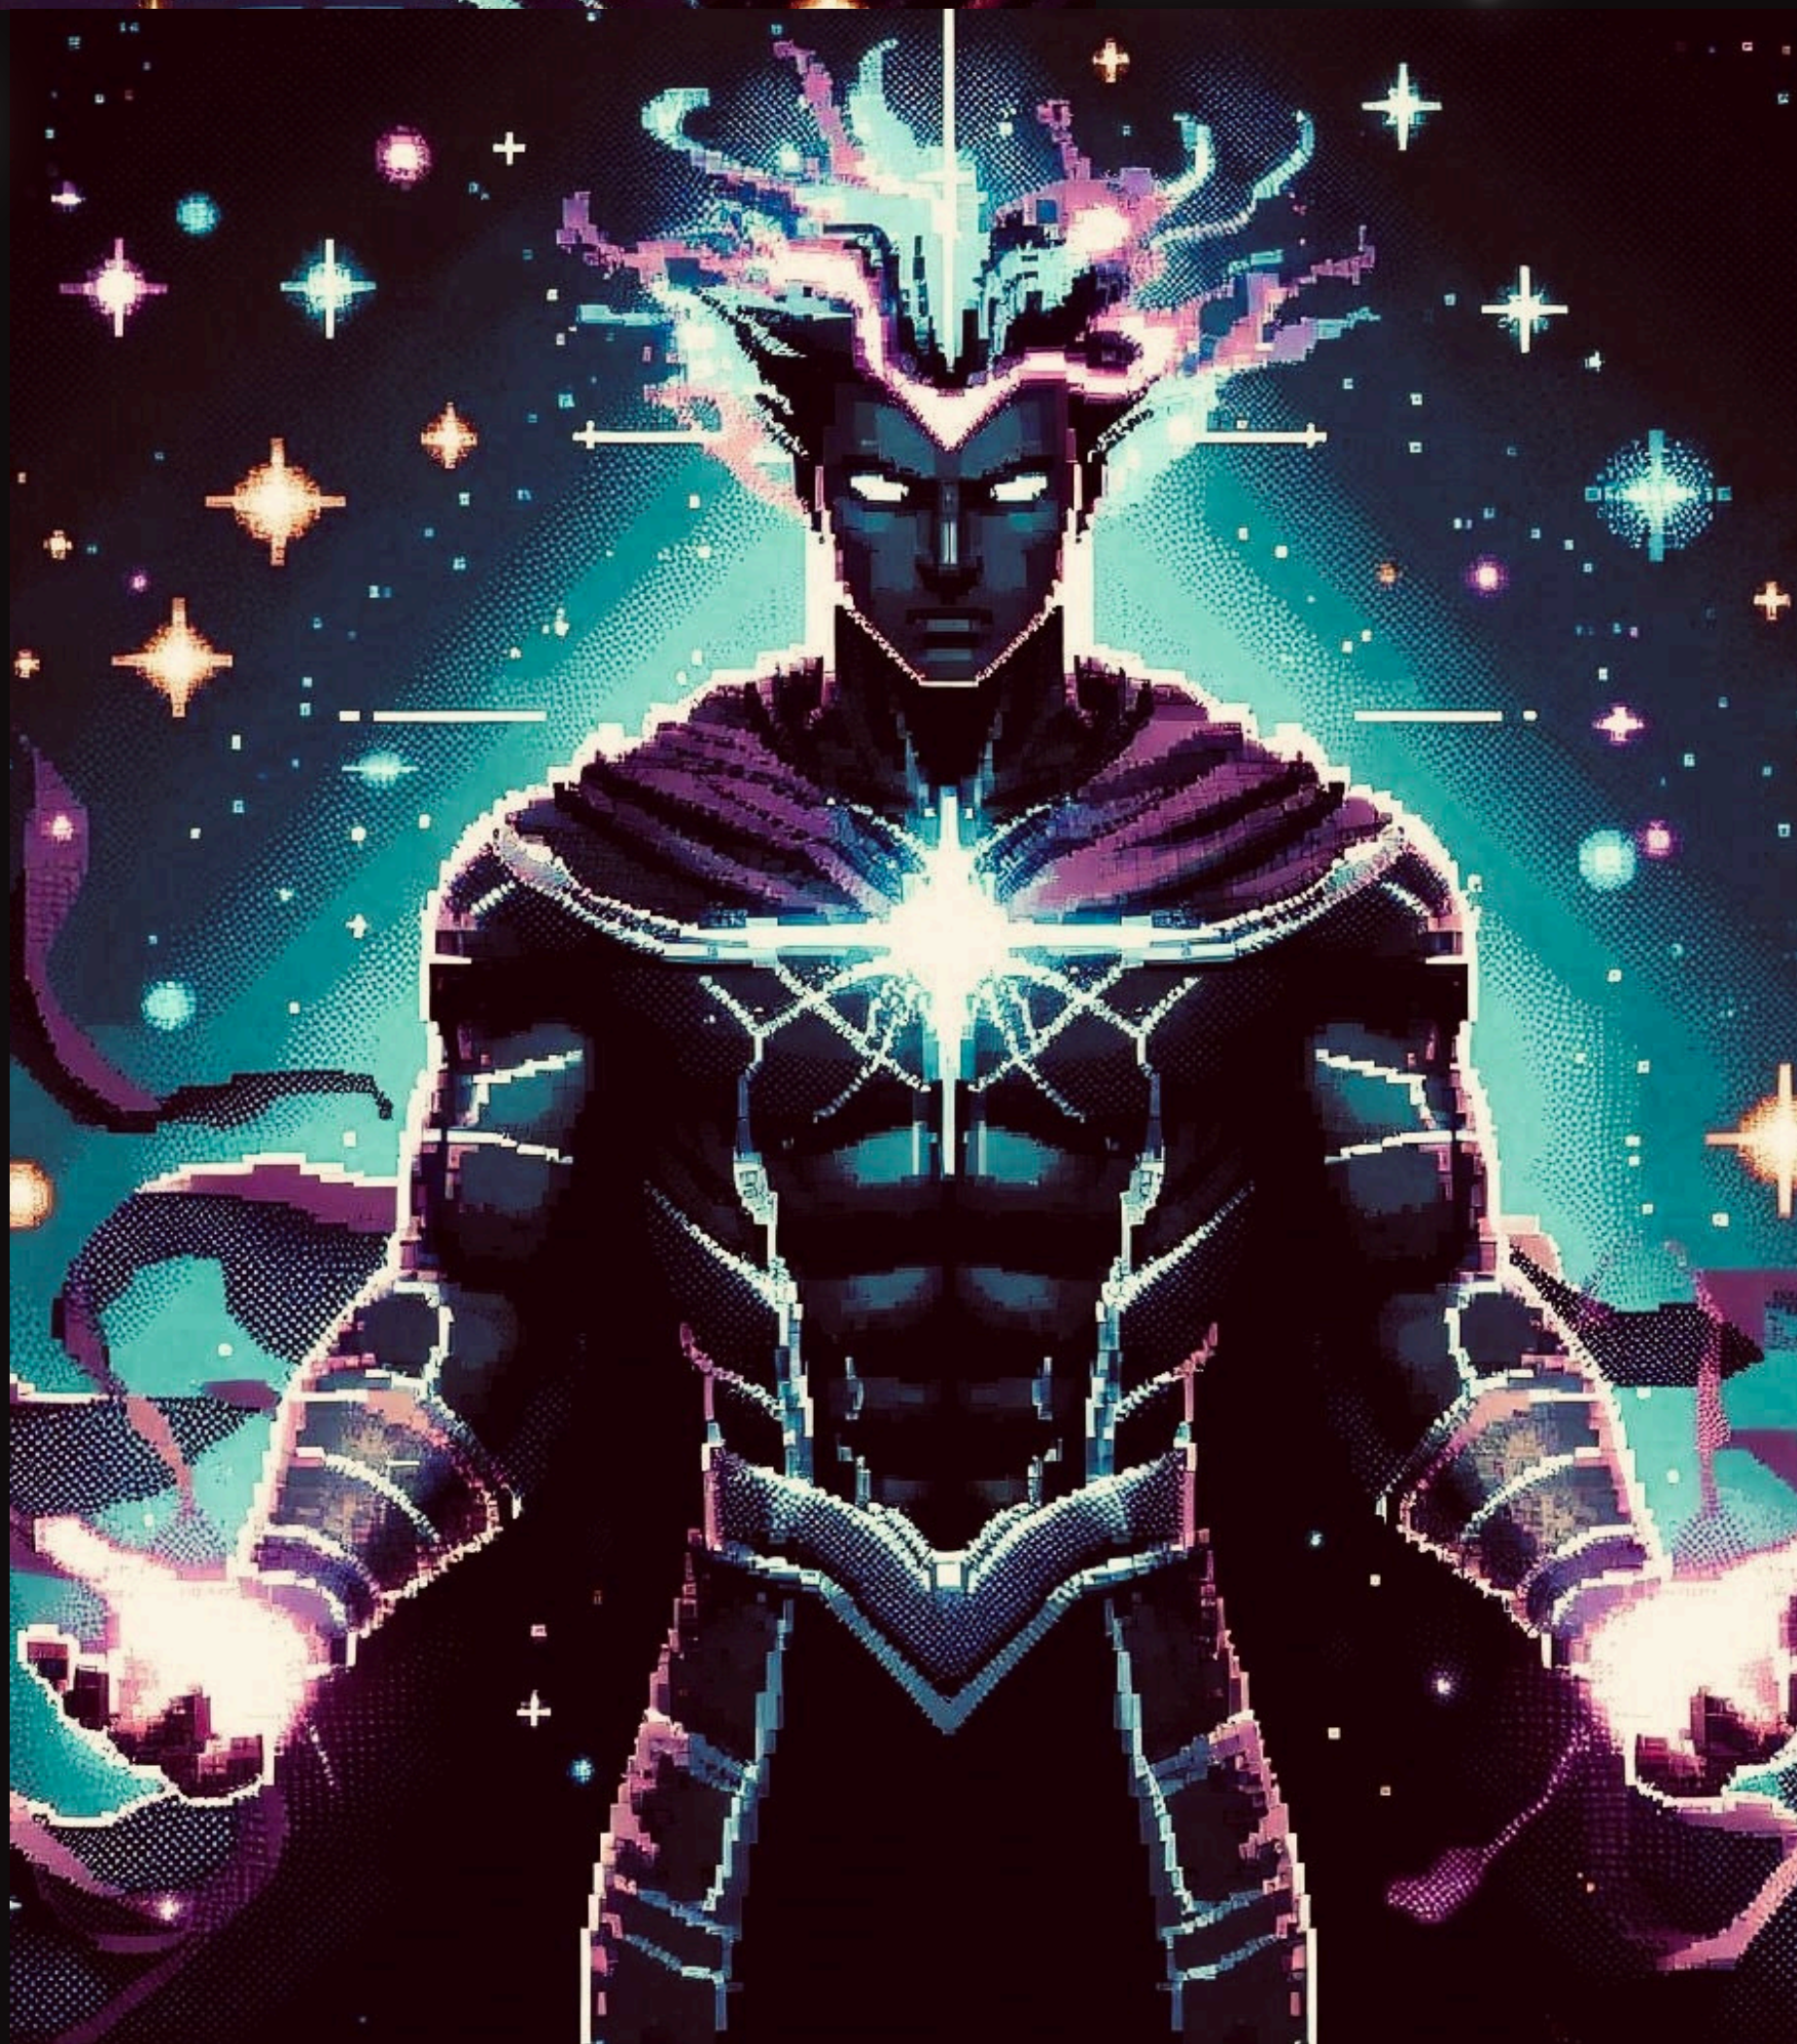

"They are connected to the cosmic code of knowledge, gains telepathic abilities and enhanced intelligence."

Heroes whose body is surrounded by an aqua green aura can manipulate the earth and its alchemy.

"They are attuned to the cosmic code of nature, controls alchemy with ease."

"They are  
linked to  
the  
cosmic  
code of  
energy,  
wields the  
power of  
fire with  
fierce  
determina  
tion."

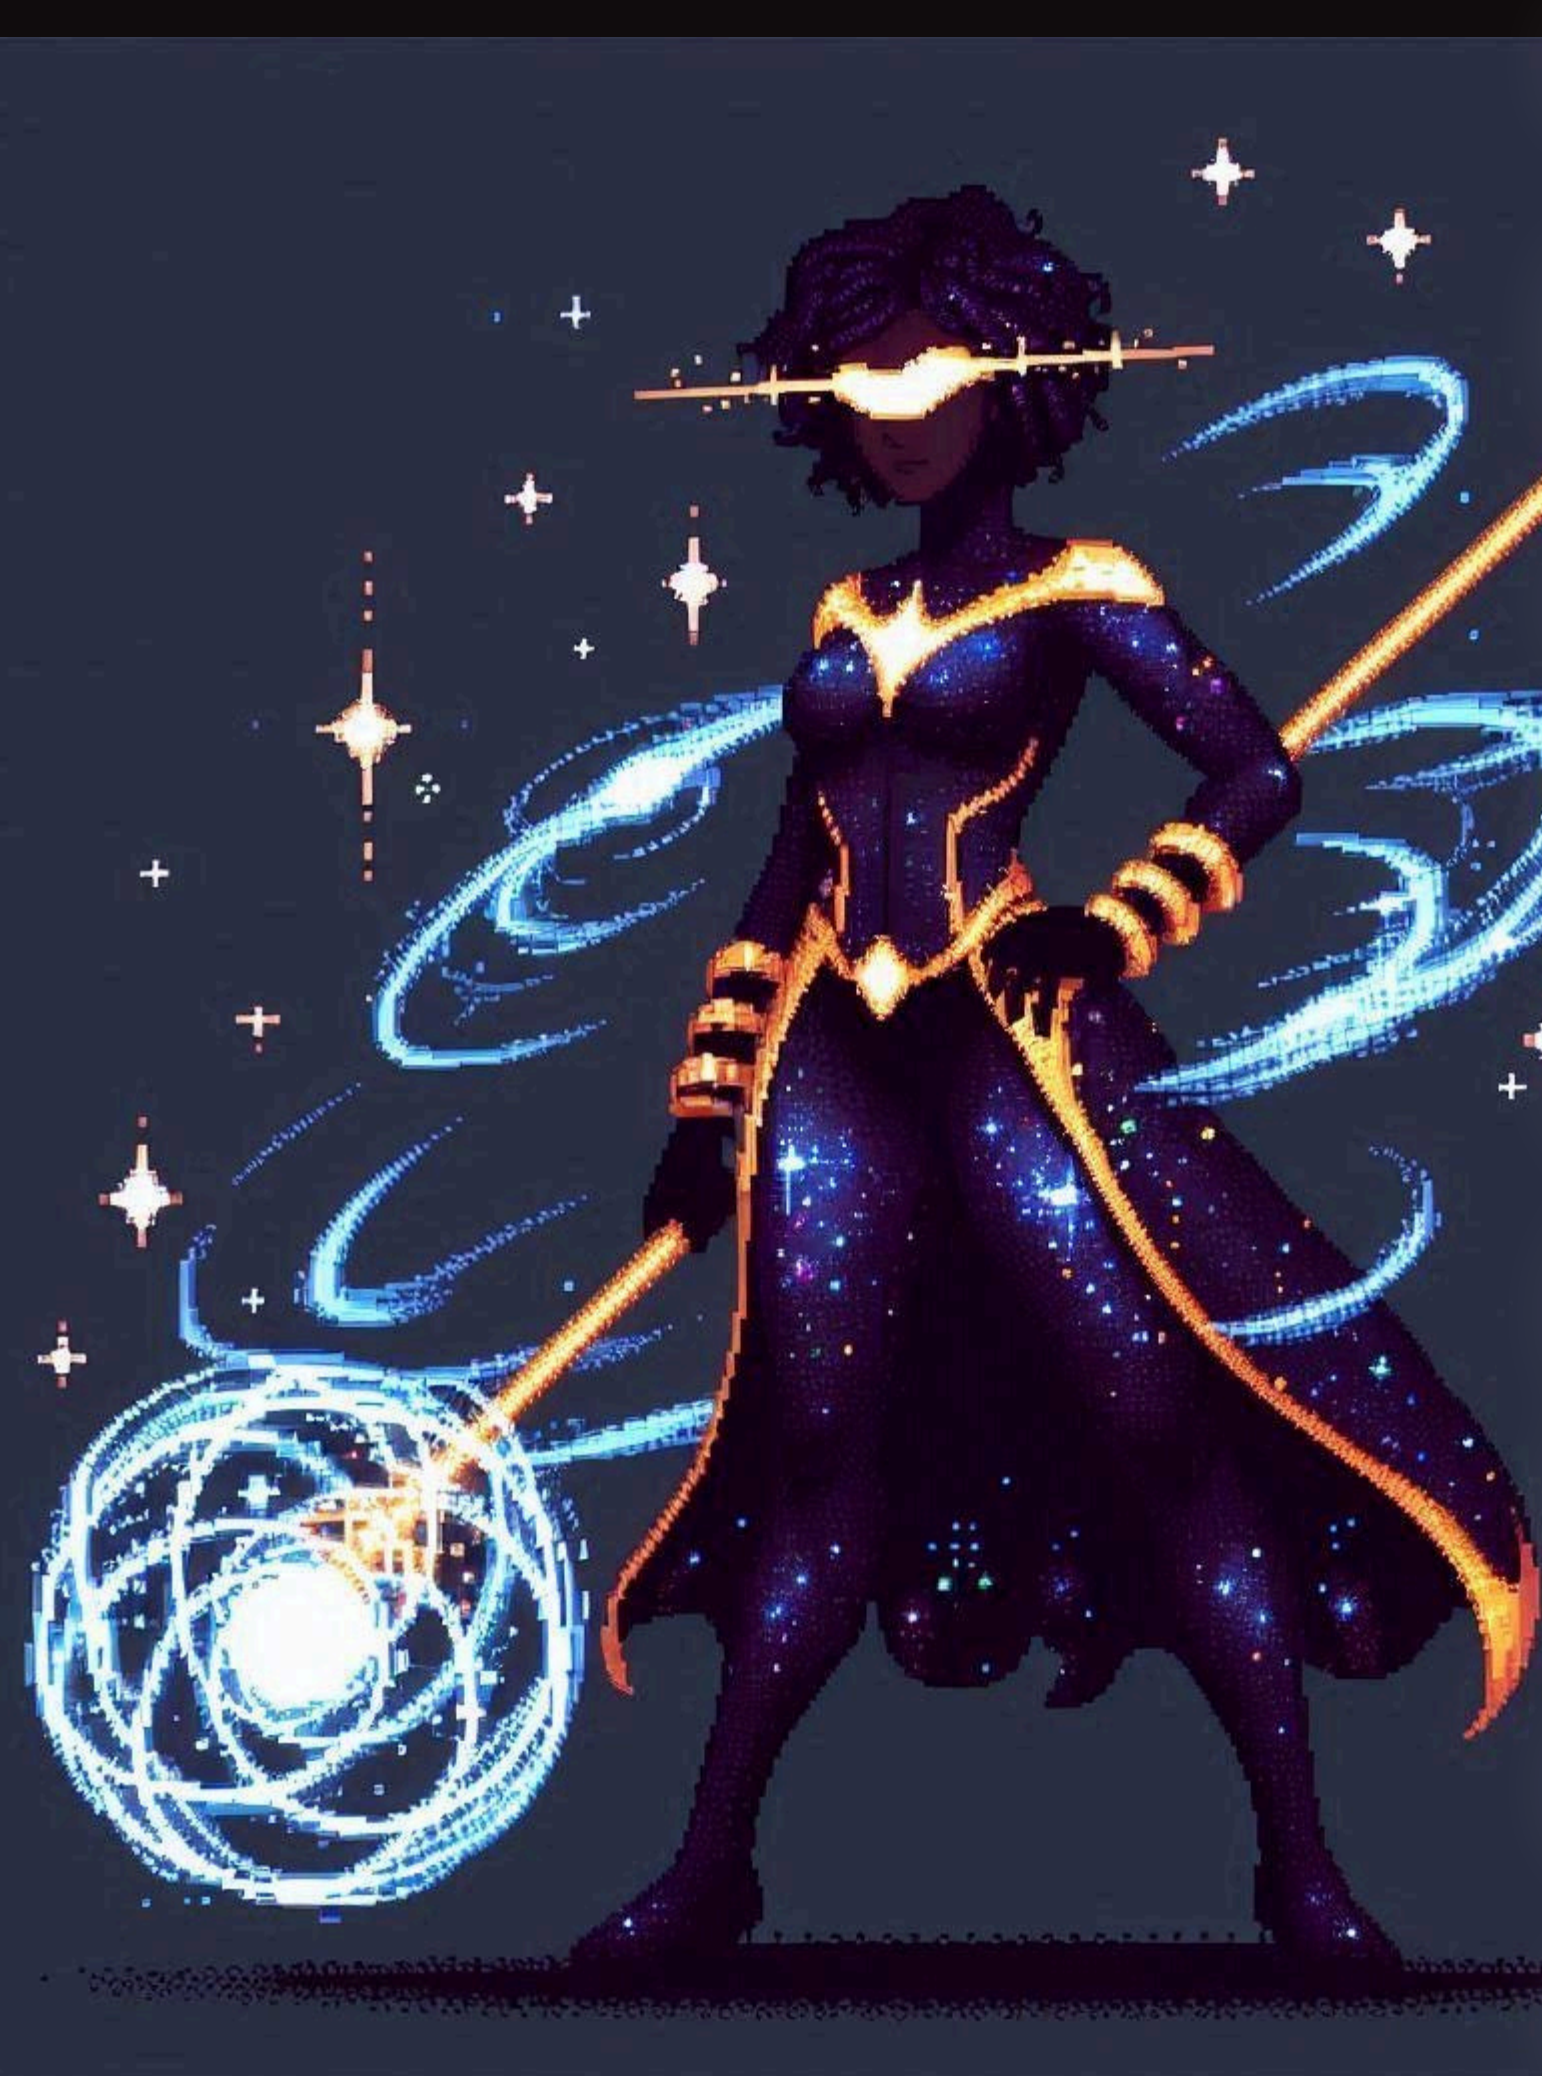

Heroes  
whose  
hands  
crackle with  
red energy,  
they can  
summon  
flames from  
their  
fingertips.

Heroes  
whose  
bodies  
shimmers  
with a  
golden light,  
they  
generate  
force fields  
around  
themselves

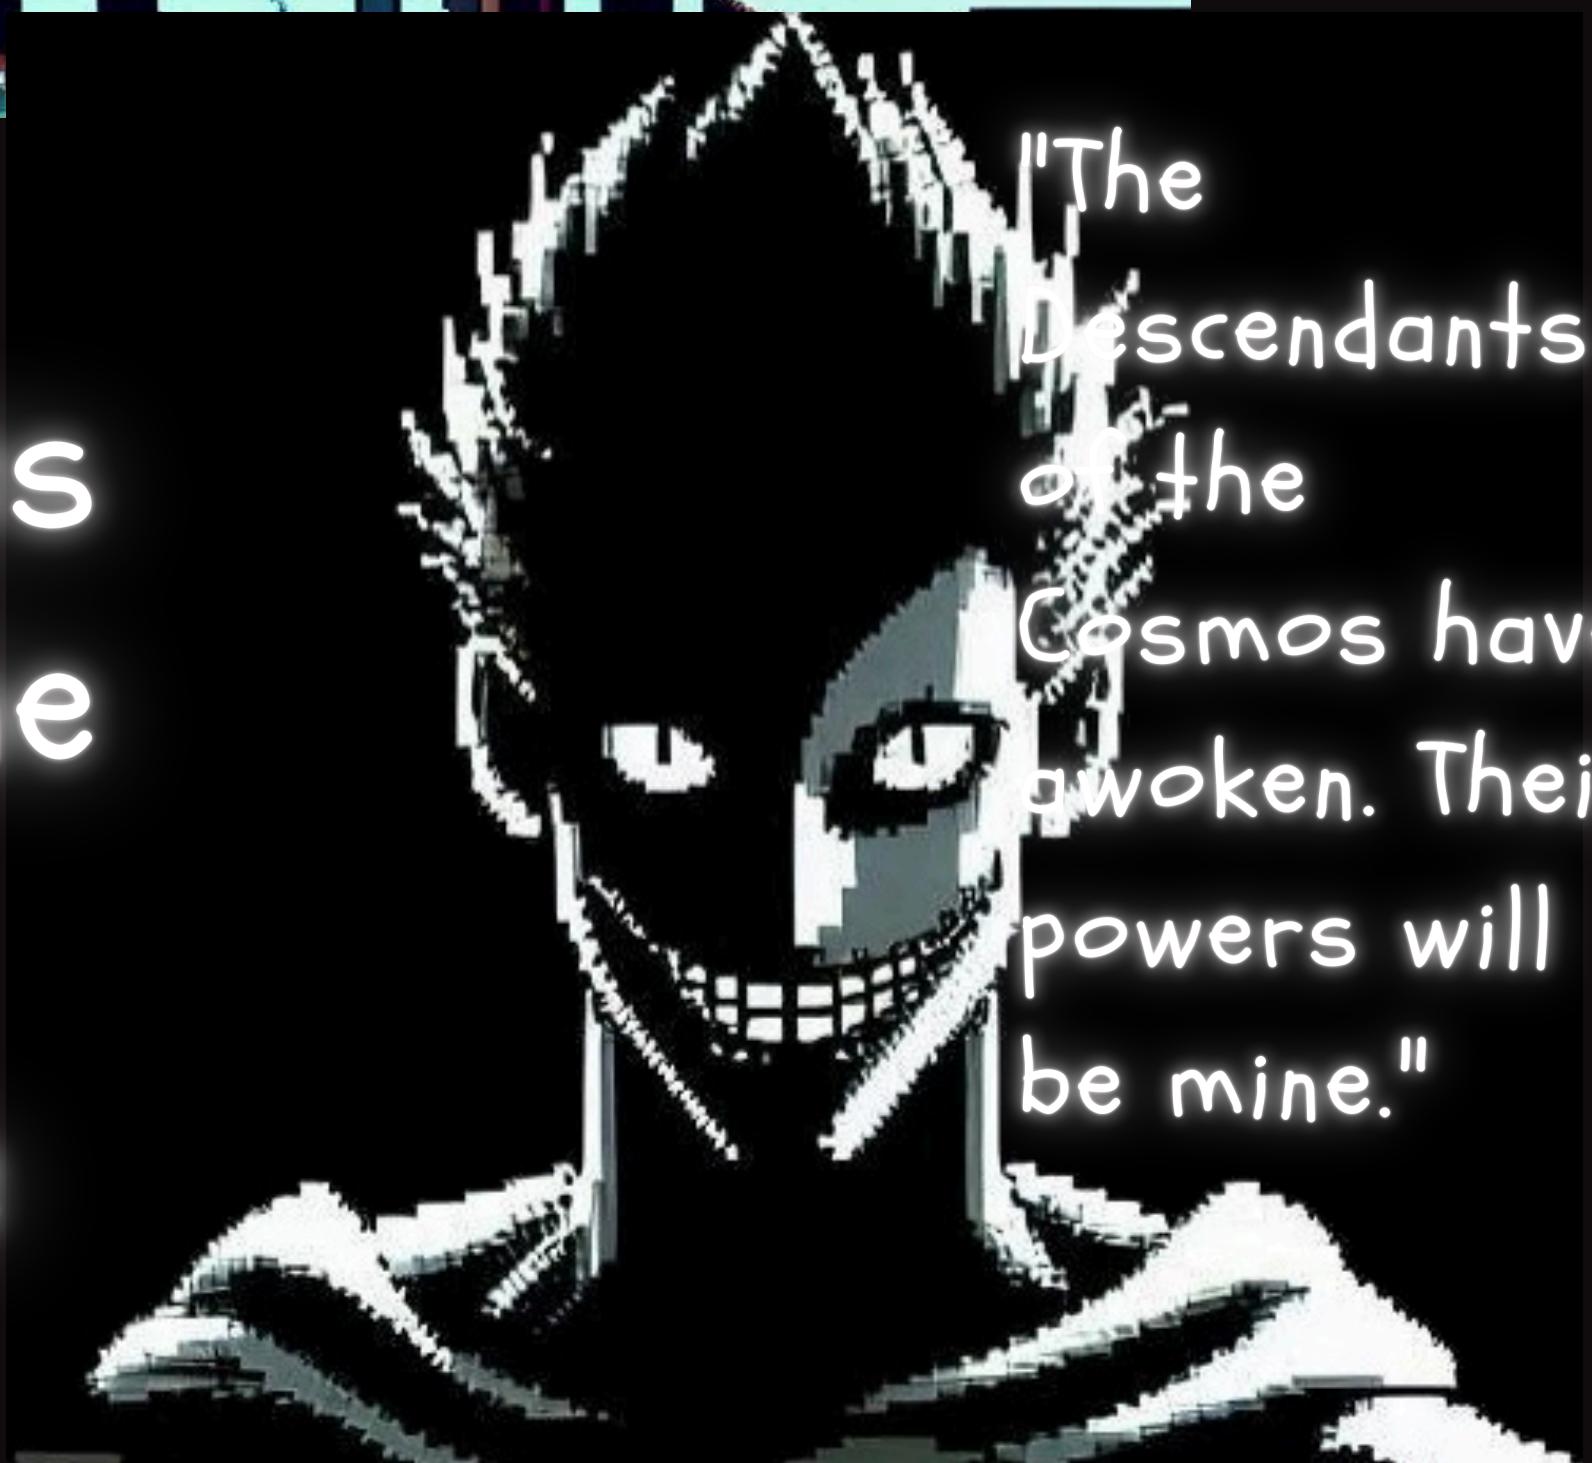

"They are  
bonded to the  
cosmic code of  
protection,  
manifests  
impenetrable  
force fields to  
shield their  
allies."

"United by the cosmic forces that bind them, they stand ready to face the challenges ahead."

A shadowy figure watches them from the shadows, a sinister smile playing on their lips.

"The Descendants of the Cosmos have awoken. Their powers will be mine."

"As the Descendants of the Cosmos, they will embark on a journey that transcends time and space."

"Their freshman year of college will be like no other, as they navigate a world where past, present, and future collide."

"The Descendants of the Cosmos  
are ready to write their own  
cosmic destiny."
